

TIFF LIGHTBOX

2025 Holiday Events Package

Founded in 1976 as the Festival of Festivals, the Toronto International Film Festival has become one of the most beloved cinema destinations in the world. As an international tastemaker, TIFF has named 22 People's Choice Award winners-turned-Oscar nominees for Best Picture, with seven winning the gold.

With the opening of TIFF Lightbox in 2010, a year-round film hub was born. Angelina Jolie graced the Lightbox for the World Premiere of *Without Blood* in 2024. Spike Lee entered the building to celebrate the 30th anniversary of *Do the Right Thing* in 2019. Werner Herzog even selected the Lightbox in its inaugural year for the World Premiere of *Cave of Forgotten Dreams* in 3D.

Whether you're enjoying spectacular sight and sound in our six cinemas, toasting in our intimate café-bar Varda, or star-gazing in our elegant Founders' Lounge, you'll find TIFF Lightbox fills every moment with movie magic.
